

Au decès de mon pere ma mere perdue a décidé donner l'administration ainsi que la gestion de tous les comptes de banques a Hellene Gilbert.

Je suis revenu suite a un appel au secours de ma mere.

Le solde a mon départ était 2 comptes a la Rbc Nassau, 1 de app 1,000,000.00 en \$ CDA, et un autre de 650,000,00 \$ CDA

Copie ci jointe mais clavardé pour proteger la succession.

Il y avait un commerce florissant dont la demanderesse a pris le contrôle et allant jusqu'a se faire payer pour son aide , ce commerce avait au minimum un inventaire de plus de 1,000,000.00

A mon retour le gros compte de la RBC avait disparu , le commerce était en chute libre.

A mon retour j'i immédiatementnet transferer cet argent, transfert qu'elle s'empres de bloquer.

Mais la demanderesse se vante d'avoir collecté 60,000 / an jusqu'a ma mere change de médecin, voir piece suivate. D-2.

Elle accuse meme faussement feu mon frere Martin d'avoir volé ce 1,000,000. . De plus elle fait des rapports réguliers sur les supposé mouvement d'argent que feu Martin, prétextant que son mari épie les mouvements d'argent, étant un agent tres spécial de la SQ.

Si on ajoute le fruit des opérations on dépasse et de beaucoup le 3,000,000.00

Security level:

Good morning Nasha,

I have a few requests, before giving my authorization for closing the account.

Since I've been accused by a member of my family of stealing money in the account of my mother, and of falsifying document in my mother's account, I need a copy of all the account statement of which I am joint-signer, from the year I became joint signer, up to this year (Please tell me how much it will cost me before, and how long it's gone take. I want to pay from my own pocket). This is the only way to prove to my family this is a false accusation.

I also ask you to confirm in written;

- that I did not make any manipulation in my mother's account
- that I did not take any money in the account
- that I did not block my mother to access her assets
- that I was not controlling the account

No! This is not a polygraph.

Feel free to adjust the text...

Before closing the account, I would like my Mom to sign a paper to confirm that she has all her assets co signed my brother Francois Gilbert who already checked all the account statement. I want you to send me a copy of this paper before closing the account.

You met my mother and my brother Francois Gilbert. You talked with them. I just want to protect myself and my family.

I will sign the closing of the account after receiving all document I requested.

Please note that this message has been written in collaboration with all my family.

Please give a copy of this message to my mother and please wish good vacation to my mother from all her family.

Hélène Gilbert

Hi Helene,

Please sign and return.

Comme j'ai dit Nasha lors de la discussion, tu es entrain de bloquer le compte. Ici au Québec, c'est l'emprisonnement!
